

Consider it all Joy

October 12-14, 2018
at Amigo Centre
Retreat for Women and Girls

Lessons from James:

We will explore how the book of James can speak to women and young ladies today in a time when we are demanding our voices be heard and our lives be respected. Come listen, learn and share how being a woman and raising up young women requires conscientious thought and sisterhood.

Speaker:
Cyneatha Millsaps
