

# LOWER LEVEL

- The rooms assigned to your group are highlighted on this floor plan.
- Rooms 105 and 107 are handicap accessible rooms.
- Room 107 is a family room. It has a double bed and four twin beds. This room can hold up to six people.
- All other rooms have one double bed and two twin beds. A rollaway bed can be added to each room as well.
- Rooms with the following symbol  indicate rooms that have an adjoining door.
