

# Retreat Center Lower Level

- Rooms 105 and 107 are handicap accessible rooms.
- Room 107 is currently a secondary meeting area on the lower level, but also has one double bed and room for additional roll away beds if needed.
- Room 113 is a family room. It has 2 double beds and a set of single or bunk beds.
- Rooms 108-111 have a double, one single and one set of bunk beds.
- All other rooms have one double bed and two twin beds. A rollaway bed can be added to each room as well.
- Rooms with the following symbol  indicate rooms that have an adjoining door.
- All rooms have a private bath with a shower. Rooms 113 and 107 have bathtubs, including a shower.
